- Kindly give suggestions regarding revision in courses of BALLB(H), BBALLB(H), BCOM LLB(H), LLB(H) and LLM

Interaction with practical skills is important for us. One of those skills is of drafting and pleading. The subject needs to be introduced at the earlier stage of the programme and should be in continuity till the completion.

- Kindly give inputs regarding incorporation of Outcome Based Education format inclusive of course wise COs, POs, PSOs and PEOs in programme of BALLB(H), BCOMLLB(H), BALLB(H), LLB(H) and LLM

The programme should not merely inculcate the knowledge of the subject rather to supplement the knowledge it should be complemented with the application of it. Further, the application of law will be helpful in the penetration of skill in the curriculum leading the students to be market ready.
