### Introduction

Feedback is a two-way communication process between the organization and all the stakeholders. It helps in understanding the strengths, weaknesses, opportunities and challenges the organization faces. It is a part of continuous evaluation for regular improvisations.

The University in its mission for continuous improvement in all areas has entrusted the Internal Quality Assurance Cell (IQAC) with the responsibility for arranging feedback responses from all stakeholders of the University. Alumni feedback on the curriculum serves as a vital resource for quality assurance in education. Their perspectives offer real-world insights into the practical application and relevance of the curriculum. By incorporating alumni feedback, K.R. Mangalam University can design and develop its academic programmes to better meet the evolving needs of industries and prepare students for successful careers.

For the academic session 2018-19, feedback was obtained from alumni of various Schools of study.

A survey form comprising 08 statements to be rated on a five-point scale (Strongly Agree, Agree, Somewhat Agree, Disagree and Strongly Disagree) was administered to alumni of K.R. Mangalam University through the online university portal UNISOFT to obtain feedback on the curriculum, ([unisoft.krmangalam.edu.in](http://unisoft.krmangalam.edu.in).)

Statement-wise analysis of the feedback received from the alumni is presented in the table given below. A diagrammatic representation of the analysis is also presented.
