Introduction

Feedback is a two-way communication process between the organization and all the stakeholders. It helps in understanding the strengths, weaknesses, opportunities and challenges the organization faces. It is a part of continuous evaluation for regular improvisations. Feedback from students inculcates a sense of ownership of the organization and makes them feel valued and responsible.

The University in its mission for continuous improvement in all areas has entrusted the Internal Quality Assurance Cell (IQAC) with the responsibility for arranging feedback responses from all stakeholders of the University. To ensure students receive a comprehensive and hands-on educational experience at K.R. Mangalam University, student feedback is obtained to continually enhance the quality of the courses across different academic programmes.

For the academic session 2019-20, feedback was obtained from students across various programmes offered by the Schools of study, in both Odd Semester and the Even Semester.

A survey form comprising 15 statements to be rated on a five-point scale (Strongly Agree, Agree, Somewhat Agree, Disagree and Strongly Disagree) was administered to students of K.R. Mangalam University through the online university portal UNISOFT to obtain feedback on curriculum, teaching-learning process, and assessments (unisoft.krmangalam.edu.in.)

Statement-wise analysis of the feedback received from the students is presented in the table given below. A diagrammatic representation of the analysis is also presented.
