STUDENT FEEDBACK ON CURRICULUM DESIGN, TEACHING-LEARNING AND EVALUATION

Introduction

In order to ensure that students have an experiential and holistic learning experience, the Internal Quality Assurance Cell (IQAC) of K.R Mangalam University collected feedback from students for the purpose of continuous quality improvement in the courses offered in various programmes.

While the University implements appropriate quality assurance systems and procedures, it is useful to note that learning is very much a collaborative effort and requires the active participation of students. On completion of courses in the Odd Semester 2022-23, the IQAC sought student feedback on curriculum design, teaching, learning and evaluation for the courses they have taken during the semester. Their feedback is important as it helped IQAC understand their concerns and difficulties if any, and implement actions for improvement in course design and making student learning experiences more enriching.

STUDENT FEEDBACK ON CURRICULUM DESIGN, TEACHING-LEARNING AND EVALUATION

Introduction

In order to ensure that students have an experiential and holistic learning experience, the Internal Quality Assurance Cell (IQAC) of K.R Mangalam University collected feedback from students for the purpose of continuous quality improvement in the courses offered in various programmes.

While the University implements appropriate quality assurance systems and procedures, it is useful to note that learning is very much a collaborative effort and requires the active participation of students. On completion of courses in the Even Semester 2022-23, the IQAC sought student feedback on curriculum design, teaching, learning and evaluation for the courses they have taken during the semester. Their feedback is important as it helped IQAC understand their concerns and difficulties if any, and implement actions for improvement in course design and making student learning experiences more enriching.
