ACKNOWLEDGMENT

I would like to express my sincere gratitude and appreciation to all individuals and organizations who have contributed to the successful completion of this research project. Without their support, guidance, and collaboration, this project would not have been possible.

First and foremost, I would like to extend my deepest thanks to my research supervisor, **Prof. (Dr.) Tania Gupta, Dean, School of Education, K.R Mangalam University, Gurugram, Haryana** for her invaluable guidance, expertise, and encouragement throughout the entire duration of this project entitled **A Study of Attitudes and Perceptions of Elementary School Students towards By Ju's Learning App** under **Course SEED 492A: Research Project II (Educational Issue)**. Her dedication and commitment to excellence have been instrumental in shaping my research methodology and ensuring the quality of the research findings.

I extend my gratitude to the participants of my research study for their time, cooperation, and willingness to share their experiences and perspectives. Their involvement has been crucial in gathering data and generating meaningful results.

Lastly, I want to express my appreciation to my family members and friends for their unwavering support, understanding, and encouragement throughout this research journey. Their patience, belief in my abilities, and words of encouragement have been invaluable in keeping me motivated during this research study.

ACKNOWLEDGMENT

I would like to express my sincere gratitude and appreciation to all individuals who have contributed to the successful completion of this research project. Without their support, guidance, and collaboration, this project would not have been possible.

First and foremost, I would like to extend my deepest thanks to my research supervisor, **Prof. (Dr.) Tania Gupta, Dean, School of Education, K.R Mangalam University, Gurugram, Haryana** for her invaluable guidance, expertise, and encouragement throughout the entire duration of this project entitled **A Study of Primary School Teachers' Knowledge and Perception of Gamification and Its Use in Education** under **Course SEED 492A: Research Project II (Educational Issue)**. Her dedication and commitment to excellence have been instrumental in shaping my research methodology and ensuring the quality of the research findings.

I extend my gratitude to the participants of my research study for their time, cooperation, and willingness to share their experiences and perspectives. Their involvement has been crucial in gathering data and generating meaningful results.

Lastly, I want to express my appreciation to my family members and friends for their unwavering support, understanding, and encouragement throughout this research journey. Their patience, belief in my abilities, and words of encouragement have been invaluable in keeping me motivated during this research study.
