Course Name	SUMMER TRAINING PROJECT	REPORT	
Course Code	SMMC312A		Credits 4
Semester	V		

Summer Internship Project (SIP) is an integral part of the academic curriculum of BBA/B.Com. After completion of the 2nd year of the program and before the commencement of the third year of the program, the students are required to work with an organization for hands on experience.

The duration of the SIP is six to eight weeks. SIP aims at widening the student's perspective by providing an exposure to real life organizational and environmental situations. This will enable the students to explore an industry/organization, build a relationship with a prospective employer.

SIP also provides invaluable knowledge and networking experience to the students. During the internship, the student has the chance to put whatever he/she learned in the 1<sup>st</sup> & the 2nd year of BBA/ B.COM into practice.

The student should ensure that the data and other information used in the study report are obtained with the permission of the organization concerned. The students should also behave ethically and honestly with the organization.

The Dean of the respective school will nominate a panel of internal faculty members along with him. The student/s is/are expected to make a 10 minute presentation before the examiners regarding the SIP project work undertaken, which will be followed by question-answer session.

The Summer Training Project report evaluation will be based on the content of the report and its validity in the current business scenario. The report has to be in the prescribed format as laid down by the university. The student will submit written report and make an oral presentation before the panel of internal examiners & the Dean of School. The assessment of the report and its presentation will be jointly done by the internal faculty & the Dean.
