

VAC015	Elevate Your Photography Skills
Contact Hours	30 Hours
Prerequisite	Nil

Course Description

This course is designed to help students enhance their photography skills and creative vision. Through a combination of theoretical knowledge, practical exercises, and hands-on experience, participants will learn to capture compelling images, master technical aspects, and refine their artistic style. The course aims to empower participants to take their photography to new heights and express their unique perspectives through visual storytelling.

Course Objectives

1. Understand the fundamental principles of photography, including composition, lighting, and perspective.
2. Demonstrate proficiency in using various camera settings and equipment.
3. Apply creative techniques to capture visually engaging and impactful images.
4. Develop a personal photography style and artistic vision.
5. Critically analyze and provide constructive feedback on photographs.
6. Utilize post-processing tools and techniques to enhance images.
7. Exhibit a portfolio of photographs showcasing technical skills and artistic growth.
