

VAC111	FASHION EVENT MANAGEMENT
Contact Hours	30 Hours
Prerequisite	Nil

Course Description

The course will give the learner an opportunity to conceptualize and create an understanding of the different types of fashion events and the planning required for their successful organization. Students will familiarize with the various practical steps involved in the organization of Fashion events and their proper coordination. They will develop practical knowledge of the administrative, designing, planning, marketing, operational and risk management aspects of fashion events through the project work.

Course Objectives

The course will enable the student to:

- Develop a conceptual understanding of various types of fashion events, including runway shows, exhibitions, and promotional events, gaining insight into their unique characteristics and purposes.
- Familiarize with the practical steps involved in organizing fashion events, including venue selection, budgeting, timeline creation, and coordination of logistics.
- Emphasize a holistic approach to fashion event organization, integrating various elements to create a cohesive and memorable experience for participants and attendees.

Course Outcomes

On completion of this course, the students will be able to:

- CO1: Demonstrate a comprehensive understanding of various types and categories of events, as well as the fundamental principles that govern event management.
- CO2: Create a detailed event plan, encompassing elements such as theme selection, target audience identification, and budgeting, showcasing proficiency in strategic event planning.
- CO3: Demonstrate proficiency in marketing strategies specific to fashion events, with the ability to create effective promotional plans and engage target audiences.
- CO4: Describe the step-by-step process required for successfully staging a fashion event, covering aspects such as venue selection, model coordination, and backstage management.

Course Content and Practicum

In the course student get acquire knowledge of fashion events and their planning. They will understand the principles of managing the event. They will design & execute Fashion Show, understand the requirements of venue, prepare of programme booklet, catering arrangements, etc.

Students will acquire knowledge of marketing & managing of fashion events. They will create a pre- and post-event promotion plan, understand the importance of media relations, press release and media kit, etc. They will know the evaluation of post-show, ensuring Legal compliance, safety & security, licenses, and permissions to be obtained. Student will also understand the risk management for prevention of hazards, security for people and merchandise. At the end of course, students will make a project work by presenting of a theme based mock fashion show project with location and other detail knowledge acquired throughout the course.
