## HEALTH CAMP (15 -09-2022)

**Date:** 15-09-2022, Thursday

**Venue:** Community center of village ghamroj, Sohna road, Gurugram

**Event Type:** Health Camp

**Mode of Activity:** Extension activity

**Target Group:** Villagers of ghamroj

**Resource Person:** Dr. Deepti, Dr. Rajesh Jangra, Dr. Anil Sharma, Dr. Nitin Kumar

**Coordinators:** Mr. Sunil Kumar, Dr. Sucheta, Mrs. Renu, Mr. Prashant, Dr. Charu

**Organized by:** Health club society (SMAS)

**Number of Participants (Attach Attendance as Annexure):**

### Introduction

K. R. Mangalam University organised a health camp in collaboration with Medox Hospital, Sohna Road, Gurugram. The camp was organized at community center of village ghamroj, Sohna road, Gurugram. It was organised to promote public health by making new health intervention available.

### Objectives

- To provide appropriate health check-ups including dental check-ups, which are quite important for people.
- To raise health awareness among the community and teach them to deal with communicable and non-communicable.
- To help community for early diagnosis of diseases or illnesses and management/treatment of the diseases.
- To screen the patients in each and every village of ghamroj at their door step to give health related awareness and distribute medicines to treat various diseases.

### Content

A team of doctors and professionals were present to conduct the blood tests and health check-ups. The

Registrar  
K.R. Mangalam University  
Sohna Road, Gurugram, (Haryana)

camp was well organized and divided into the different sections for the ease of the patients. Health checkup and dental checkup was started at 11.00 AM.

All adults' patients were screened for hypertension by Dr. Rajesh Jangra. Patients with altered diet and poor adherence to the old treatment were advised to higher centers by Dr. Nitin Kumar for their need.

Dental problems were assessed and treatment advised by the dentist Dr. Anil Sharma.

Dr. Chamu Chhabra gave suggestion for reducing their joint pain, back pain via using some physical exercise. She also given some suggestion for improved their health & life style. During the health camp a range of services like routine medical check-up, haemoglobin test, sugar test, blood pressure check-up, medicine distribution were provided under the curative services. Dr. Sucheta and Mrs Renu advised people to drink green grass juice every day to increase their hemoglobin level.

The camp was organized in association with medox hospital, sohna. A free medical check-up was provided to all.

### Activity Outcome

The following outcome was observed

- Provide free and high-quality medical services and full body complete medical checkup for the population.
- To provide information regarding diet, exercise and weight control.
- Early diagnosis of problems arising due to unhealthy eating habits and irregular time schedule wherein the doctors present were then advised on precautions and solutions.
- There was a greater patient satisfaction.

### Conclusion

In terms of the number of patients who attended, the proportion of recommended patients who visited the hospital, and patient satisfaction, the health camps was successful. The camp was more effective in terms of the number of patients attending, percentage of referred patients visiting the hospital, and patient satisfaction. This collaboration benefits the rural population in terms of health outcomes.

### Further Scope

The health results of the broader public gain from this partnership. Additionally, research might be conducted in other regions of the country concerning other significant ailments, as this partnership.

Registrar

K.R. Mangalam University  
Sohna Road, Gurugram, (Haryana)

effective on a nationwide scale, has the potential to enhance the nation's health index. The success of the health camp exceeded all expectations, No longer are individuals required to travel to the hospital for checkups. As a result of these free health camps, with the KRMU Medox Hospitals is now able to reach people at a moment's notice to conduct valuable checks without the concerned about distance or cost. Let's hope that we see many more health camps in years to provide awareness and management of the diseases to the community.

## WORLD PHYSIOTHERAPY DAY-2022 REPORT

**Target Group:** BPT Students, Staff and students of KRMU

**Coordinators:** Dr. Badri Vishal (PT), Dr. Rituporna Bhattacharjee (PT)

**Date:** Thursday, September 08, 2022

**Venue:** KRMU campus, Sohna road, Gurugram

### **Introduction**

In 1996, 8 September was designated as World PT Day. This is the date World Physiotherapy was founded in 1951. The day marks the unity and solidarity of the global physiotherapy community. It is an opportunity to recognize the work that physiotherapists do for their patients and community. Using World PT Day as a focus, World Physiotherapy aims to support member organizations in their efforts to promote the profession and advance their expertise. Reports from around the world indicate that World PT Day activities have a positive impact on the profession's profile and standing with both the public and policy makers. Many World Physiotherapy member organizations already have their own national physiotherapy days, weeks and months.

The Department of Physiotherapy, K. R. Mangalam University celebrated World Physiotherapy Day (8th sept) to spread awareness about health and wellness. In context to focal theme of 2022 – "OSTEOARTHRITIS", students and faculties had organized various activities.

### **Objectives**

- To spread awareness amongst the university staff and students about the physiotherapy day.
- To engage students in extra curricular activities and inculcate competitive spirit amongst students.
- To raise health awareness among the staff of the university and teach them to deal with osteoarthritis.
- To help the staff of the university for early diagnosis of diseases or illnesses and management/treatment of the diseases.

### Content

The programme started with Rangoli Competition by different groups of students at the reception area of college. The competition was judged by Pro-Vice Chancellor ma'am, Prof. Pushpa Lata Tripathi. The programme was followed by a skit presentation by the students which provided an emphasis on the theme of World Physiotherapy Day 2022- Osteoarthritis which was continued by Flash Mob by the students which captured a lot of attraction on the field of KRMU Campus.

Post lunch, the programme further proceeded with poster competition among the students which was judged by DEAN, Student Welfare, Prof. Tania Gupta. The program ended with an expert talk on Osteoarthritis by Dr Gurpreet Singh

### Attendees

BPT students participated in the celebration and in various competitions, staff and students of KRMU attended the event.

### Activities

TIME	EVENT
9:30 AM	Assessment Session of Faculties of KR Mangalam University
10:00 A.M.	Rangoli competition
12:00 P.M.	Skit by BPT students
1:00 P.M.	Flash mob by BPT students
2:00-3:00 P.M.	Poster competition
2:30 P.M.	Expert talk on Osteoarthritis

### Conclusion

The celebration had a positive impact on the students and staff of KRMU. They were motivated to participate and further spread awareness about Physiotherapy. The conduction of event was successful.
