Chapter-10

Global Partnerships for Sustainable Development

¹Dr. Tania Gupta, ²Uday Shankar Singh & ³Rajat Thomas

Abstract

Sustainable development is a multifaceted concept that encompasses economic, environmental, and social dimensions. Its importance in our modern world cannot be overstated. By striving to balance economic growth, environmental preservation, and social equity, sustainable development provides a roadmap for creating a more just, resilient, and sustainable future for all. As global challenges mount, embracing the principles of sustainable development is not a choice but a necessity. This chapter provides an overview of the evolution of global partnerships, emphasizing the transition from traditional aid-based models to more inclusive and holistic approaches that promote mutual accountability, knowledge sharing, and innovation. It also showcases successful case studies and best practices in global partnerships, illustrating how diverse stakeholders can work together to advance sustainable development. It explores the critical role of international collaborations in achieving sustainable development goals (SDGs) on a global scale.

Keywords: Sustainable Development, Global Partnerships, Collaboration, International Cooperation, Sustainable Goals.

Introduction

Sustainable development is a concept that has gained immense prominence in recent decades as societies around the world grapple with the complex challenges of economic growth, environmental conservation, and social equity.

Sustainable development can be defined as "the process of meeting the needs of the present without compromising the ability of future generations to meet their own needs" (World Commission on

CIRCULAR

SCHOOL OF EDUCATION IN COLLABORATION WITH KEIC AND VISHWA YUVAK KENDRA

Dear Students

School of Education proposes to organize a **Seminar** on the topic "*Fostering Entrepreneurial Mindsets in the Youth of India*" in collaboration with **Vishwa Yuvak Kendra**, New Delhi (New MoU partner) on **Wednesday, 28th December 2022**, in A-213, KRMU Campus, to promote and encourage sharing of information amongst attendees.

The Seminar aims to promote and encourage sharing of information among attendees and provide attendees with educational sessions and sometimes technological displays encompassing the best and most current information in the field. The seminar will generate activities of the professional association.

OUTCOMES OF THE EVENT

The program will help the students and other participants:

- To identify opportunities and succeed in a variety of settings by doing behaviour modification
- To understand and identify your own absences and rectify them with full vigour and determination.
- To cultivate a risk-taking approach and accept the challenges with a positive mental attitude.

The Registration Fee is NIL
