SANCTION LETTER

To,

Dr. Ruchika Yadav,
Associate Professor,
School of Management & Commerce,
K.R. Mangalam University, Gurugram

Subject: Sanction of Seed Money for Research Project entitled, "*Attrition and Retention of Knowledge Workers in the Indian Automobile Sector*", to PI, Dr. Ruchika Yadav, Associate Professor, School of Management & Commerce, K.R. Mangalam University, Gurugram (Haryana).

Dear Madam,

This is to inform you that your project entitles, "*Attrition and Retention of Knowledge Workers in the Indian Automobile Sector*", was considered and recommended for the seed grant for the term of 1 years from the date of notification of this sanction letter for Rs. **18,40,000/-** for the above research project.

The research project and grant should be strictly followed as per terms and conditions as follows:

Terms and Conditions:

1. The decision of the University Research Grant Committee will be conveyed to the PI who will be the contact person for all administrative and financial matters regarding the project.
2. The PI is responsible for the conduct of the research in accordance with the University Research policy.
3. The Seed Grant is provided for equipment, consumables, travel and contingency.
4. Procurement, utilization and maintenance of equipment will be as per university policy.
5. The grant money has to be utilized in accordance with the approved budget and within the stipulated period.
6. The PI should submit a progress report in the prescribed format for evaluation by the committee mandated to monitor individual projects. In case it is found that proper efforts are not being made, further release of funding may cease.

Registrar
K.R. Mangalam University
Sohna Road, Gurugram (Haryana)

7. The PI will also be required to report outcomes at the end of project after the termination of the seed grant, including grants received and publication/IPR arising out of the seed grant.

8. The outcome of the proposal should be in terms of minimum one publication in WoS/SCOPUS/UGC Care/ICI/ indexed journals/intellectual property generation including product/process development would be expected as outcomes of the project.

9. Seed grant will be provided only if the faculty promised to stay for recommended seed grant term or more.

10. In case the faculty leaves in between the stipulated time period without any outcome from the research, he/she needs to refund the seed grant amount.

11. In case of PI and Co-PI, if PI leaves the institute before the completion of project, a co-investigator from KRMU will assume responsibility as PI. No collaborator from another institution can become PI under this condition.

Subject: Sanction of Seed Money for Research Project entitled, "*Financial Inclusion in India: Extent, Coverage and Effectiveness (with Special Reference to Gurugram District of Haryana)*", to PI, Dr. Rashmi Singel, Associate Professor, and Co-PIs, Dr. Richa Nangia, Associate Professor, Dr. Kshama Sharma, Assistant Professor, Department of Management, School of Management & Commerce, K.R. Mangalam University, Gurugram (Haryana).

Dear Madam,

This is to inform you that your project entitles, "*Financial Inclusion in India: Extent, Coverage and Effectiveness (with Special Reference to Gurugram District of Haryana)*", was considered and recommended for the seed grant for the term of 1.5 years from the date of notification of this sanction letter for **Rs. 100,000/-** for the above research project.

The grant will be released as follows:

- a) **First instalment: Rs. 55,000/-** (Travel budget subjected to KRMU service rule rate)
- b) **Second instalment: Rs. 45,000/-**

The research project and grant should be strictly followed as per terms and conditions as follows:

Terms and Conditions:

1. The decision of the Seed Grant Review Committee will be conveyed to the PI who will be the contact person for all administrative and financial matters regarding the project.
2. The PI is responsible for the conduct of the research in accordance with the University Research policy.
3. The Seed Grant is provided for equipment, consumables, travel and contingency. It is not applicable for Laptop, Desktop, UPS and printer (As per Seed Grant Scheme and Service Rules).

Registrar
K.R. Mangalam University
Sohna Road, Gurugram (Haryana)

4. Procurement, utilization and maintenance of equipment will be as per University policy.
5. The grant money has to be utilized in accordance with the approved budget and within the stipulated period.
6. The PI should submit a progress report in every three months in the prescribed format for evaluation by the committee mandated to monitor individual projects. In case it is found that proper efforts are not being made, further release of funding may cease.
7. The PI will also be required to report outcomes at the end of project after the termination of the seed grant, including grants received and publication/IPR arising out of the seed grant.
8. The outcome of the proposal should be in terms of minimum one publication in WoS/SCOPUS/ICI indexed journals/intellectual property generation including product/process development would be expected as outcomes of the project.
9. Seed grant will be provided only if the faculty promised to stay for recommended seed grant term or more.
10. In case the faculty leaves in between the stipulated time period without any outcome from the research, he/she needs to refund the seed grant amount.
11. In case of PI and Co-PI, if PI leaves the institute before the completion of project, a co-investigator from KRMU will assume responsibility as PI. No collaborator from another institution can become PI under this condition.
