“Emojzz Quiz”

Date: 16th May 2023

Venue: Room No. A 201, A Block, K.R. Mangalam University.

Event Type: Inter-School

Mode of Activity: Offline

Target Group: UG & PG Students

Coordinators: Dr. Neha (Assistant Professor SOMC)

Organized by: Management Society

Number of Participants: 12

Introduction:

Emojzz Quiz was conducted by the Management Society at KR Mangalam University in collaboration with undergraduate and graduate students on 16th May from 12:00 PM onwards at "Room A- 201" on the university Campus.

Objectives:

The prime objectives of conducting an Emoji Quiz on the theme of management were to promote active learning and engagement, assess participants' knowledge and understanding of management concepts, fostering critical thinking and problem-solving skills, encouraging teamwork and collaboration, create a fun and interactive learning environment, increasing awareness and interest in management studies and careers, providing a platform for networking and social interaction, and enhancing the overall learning experience through a creative and enjoyable format.

Content:

The Management Society organized an exciting Emoji Quiz on the theme of management to engage students and enhance their understanding of key management concepts. The quiz aimed

witnessed enthusiastic participation from students, creating an atmosphere of excitement and learning.

The event involved 4 teams participating with 3 members in each, constituting 12 participants in total. The quiz was conducted in a multiple-choice format. The quiz consisted of two rounds, with 10 questions in the first round and 5 questions in the second round. The questions in each round covered various topics related to management. Participants were supposed to select the most appropriate answer based on their understanding of management concepts.

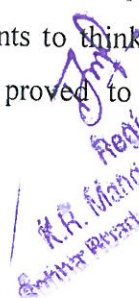

The quiz encouraged participants to actively think, analyze, and apply their management knowledge in a creative and interactive manner. It evaluated participants' comprehension of management concepts and their ability to interpret emojis representing different aspects of management. Participants were divided into teams, fostering collaboration, communication, and problem-solving skills while working together to decode the emojis. The quiz aimed to generate curiosity and interest in the field of management, showcasing its relevance and importance in various industries. By incorporating emojis, the quiz offered a unique and enjoyable learning experience, making management concepts more accessible and memorable.

Outcome:

Conducting an Emoji Quiz on the theme of management results in increased knowledge and understanding of management concepts, enhanced critical thinking and problem-solving skills, improved collaboration and teamwork, engaging and memorable experiences, networking opportunities, promotion of interest in management studies and careers, and positive branding for the organizing society. Participants enjoy a fun and interactive learning experience while better understanding management principles, terminology, and their practical application.

Conclusion

The Emoji Quiz on Management organized by the Management Society successfully blended entertainment and education, making learning management concepts an enjoyable experience. The event showcased the effectiveness of innovative teaching methods in engaging students and fostering their understanding of management principles. The quiz added a unique dimension to the learning process by incorporating emojis, encouraging participants to think creatively and apply their knowledge in a practical context. Overall, the quiz proved to be a valuable contribution to the field of management education.

Report on Quiz on Geopolitics

Date: May 2, 2023

Venue: A-203, K.R. Mangalam University

Event type: Quiz

Mode of Activity: Offline

Target Group: Students of K.R. Mangalam University

Co-ordinators- Ms. Rishija Singh

Organized by- MUN Club

Number of participants: 9

The MUN Club organized a quiz competition on Geopolitics. The aim of the event was to familiarize and inform students about world politics before they go deeper into the club activities since having knowledge of geopolitics is the foundation on which club activities are based. The quiz also aimed to test the knowledge of the club members. The quiz consisted of three rounds, the first round consisted of five questions each. The students who qualified for the first round went to the second round where they faced three questions each and those who went to the final round faced the pictorial round where they were shown iconic pictures from world history and were expected to identify them. The quiz concluded with two winners. The event was a very entertaining and immersive experience for the participants as well as the audience, and it furthered the scope of more such events revolving around geopolitics.

A HERITAGE WALK

Date: Tuesday, 2nd May 2023

Venue: Badshahpur Fort, Badshapur, Gurugram

Event Type: A visit to Badshahpur fort

Mode of Activity: Offline

Target Group: 29 Students

Coordinators: Ar. Akanksha Singh, Assistant Professor- SOAD

Ar. Nishant Arora, Assistant Professor- SOAD

Akanksha Kumawat, Assistant Professor- SOAD-FD

Deepti Kaur, Assistant Professor- SOAD-FD

Organized by: School of Architecture and Design.

Number of Participants (Attendance as Annexure): 27

The DIA Club organized a heritage walk to Badshahpur fort located in Gurgaon with the faculty in charge, Ar. Akanksha and Ar. Nishant. The Badshahpur fort is a very old fort, probably built during medieval periods exists at Badshahpur, a village in district Gurgaon. The aim of this visit was to explore and appreciate the heritage value of Badshahpur fort which dates to medieval times.

The fort has a significant historical and cultural significance, and it is one of the few remaining landmarks of its time. The students discerned that the unprotected fort is in ruins and needs restoration. The walls of the fort are high and thick, with several bastions and watchtowers at regular intervals. Only the walls and the watchtowers are intact. The fort is not maintained well, and there is no proper infrastructure to support tourism. The lake deposited beside the fort is surrounded by the lush green trees and has a serene ambiance. However, the fort still attracts a few visitors who are interested in history and archaeology.

Dr. APJ Abdul Kalam Science Society (School of Basic and Applied Sciences (SBAS)), K.R. Mangalam University, Sohna Road (Gurugram) organized an event for students on 25th April 2023, entitled Declamation on "Identifying Energy Saving Ideas" where students expressed their ideas through which energy can be saved.

Dr. Neeraj started the event by informing the students about rules and regulations. As there is a severe energy issue in our globe now due to climate change, the exhaustion of fossil fuel supplies, and rising energy consumption. One of the best and alternate solutions is to implement energy-saving ideas in day-to-day life for example use of renewable energy such as wind energy, solar energy, biomass energy, and many more.

The competition aimed at bringing forward various innovative ideas to achieve a sustainable future and also boosting the confidence and morale of the students, preparing them to be confident while putting forward their views. The competition was actively participated by about 12 participants.

Some of the ideas brought about by the students were so fascinating and worth thinking about. The students emphasized the need to reduce the dependency on fossil fuels and to look for various other alternatives.

All the students actively participated in the competition. The competition was judged by Dr. Sonu Mehla and Dr. Rupali. It was an amazing learning experience for both, the organizers and the students. At last, students were awarded by certificate and the faculty coordinator congratulated all the winners.

Talk on “Celebrating India’s G20 Presidency: Prospects and Challenges for the Emergence of new world order”

Date: 6th April 2023

Venue: A213, K.R. Mangalam University

Event Type: Lecture

Resource Person: Dr. Anshu Joshi, Assistant Professor at Jawaharlal Nehru University

Mode of activity: Offline

Target Group: Students of K.R. Mangalam University

Coordinators: Ms. Rishija Singh, Ms. Sweta Basak, Dr. Nandini Ahlawat, Dr. Suruchi Singh

Organized by: MUN Club in association with KEIC

Number of participants: 96

The MUN Club in association with KEIC organized a talk by Dr. Anshu Joshi on India’s G20 presidency. India’s assumption of the presidency of the G20 is based on the cumulative achievements of India since its independence and the unifying role it has played since then. India’s leadership in the Non-alignment movement and its autonomous stance on various global multilateral platforms strengthens its image as a leader of the Global South. The pandemic and the Russia-Ukraine conflict further highlighted India’s role as a bridge in an increasingly divided world. The talk encompassed India’s G20 presidency, her place in the world order, and the dynamics of the contemporary world order. Dr. Joshi is a renowned scholar of international relations and Indian Foreign Policy from the Centre for Canadian, US & Latin American Studies (School of International Studies) at Jawaharlal Nehru University. She has also co-authored the book “India’s Presidency, Connecting World”. The talk was highly informative and interactive in nature. Students learned about the various facets of G20 and the importance of India’s current presidency. The talk ended with a question-and-answer session where students asked various global issues questions.

In addition to being a fundamental human right, gender equality is also a prerequisite for a society that is stable, affluent, and sustainable. Although there has been progress over the past few decades, the attainment of gender equality still remains a subject of debate. In addition, the COVID-19 pandemic's social and economic effects have made the situation much worse. Several aspects of development are lagging behind, such as the amount of time spent on unpaid caregiving and domestic labor, decisions on sexual and reproductive health, and gender-responsive budgeting. Services for women's health, which were already underfunded, have been severely disrupted. Women continue to experience a lot of violence. And even though women took the lead in reacting to COVID-19, they still lag behind males in obtaining the positions of power that are rightfully theirs. The promotion of laws, policies, budgets, and institutions that advance gender equality is one way to speed up development. Decisive action and commitment are also required. Considering the relevance of the theme, K.R. Mangalam University organized an inter-university debate competition to encourage students to think creatively and critically

Number of Participants: 23

On the 2nd of April 2023, an inter-university Instagram reel competition was held in association with Mediaverse on the theme of Indian cultural diversity and harmony. The event aimed to celebrate the rich cultural heritage of India and foster harmony among different communities.

The competition was open to students from various universities across the country, and a total of 29 entries were received. The reels showcased the diversity of India's culture, including traditional art forms, cuisine, festivals, and customs.

The reels evaluated on the bases of creativity, originality, and relevance to the theme.

The top three entries were awarded cash prizes and certificates of appreciation. The first prize was won by Ekta and Om who created a reel showcasing the unity in diversity by featuring people from Bihar celebrating chatt pooja together. The second prize was won by Niharika, who created a reel showcasing the vibrant culture of Barsana Holi.

The event was a huge success, and the participants appreciated the opportunity to showcase their creativity and talent on a national platform. The event also helped in promoting the idea of cultural diversity and harmony among different communities.

The inter-university Instagram reel competition on Indian cultural diversity and harmony was a remarkable event that showcased the richness and diversity of India's culture while promoting unity and harmony among its people.

Objective:

The prime objective of the event was to motivate the student community to develop projects with innovative ideas which should address the prevailing problems of society and can make the world a better place to live in.

Content:

School of Engineering and Technology in collaboration with Computer Society of India and KEIC at K.R Mangalam University organized an inter-university event Shark Tank: Innovative Business Idea Competition which aims to support students who are at the very beginning stages of developing an idea, typically before they are investor-ready or prepared to enter the marketplace. With more focus on the functioning of the event, the participants were given a set amount of time to present their business idea and convince the judges. It was then followed by a questions/answers round after the end of each presentation to understand the business case and feasibility of the proposed idea.

Event Type: Debate Competition

Mode of Activity: Offline

Target Group: Students of K.R. Mangalam University

Coordinators: Mr. Rajiv Ranjan, Ms. Rishija Singh

Organized by: MUN Club

Number of Participants: 09

India has taken over the G20 presidency and with the expectation to touch every student across the country, an innovative outreach program, “University Connect” has been proposed in which schools and higher education institutions can involve their students in various events on G-20 themes spread across the year. Under the stated program the Model United Nations Club organized a debate competition on the “Anti-Corruption Agenda in G20 countries” theme. The competition aimed to select the best and most eloquent candidates to represent the university in the G20 summit Anti-corruption working group event at G. D. Goenka University. The event drew huge participation from students of the university. The Judges of the event were Dr. Nandini Ahlawat and Dr. Padmani Koul who judged the participants on the basis of elocution skills, the content of their speech, and their responses to questions raised. At the end of the event, six candidates were selected to act as delegates from Canada, Nigeria, and South Africa. The event was a learning as well as informative experience for both participants as well as other attendees.

Origami in Design- Workshop

Date: Friday, 07th October 2022

Venue: Room No. C 211 & C 208, C Block, K.R. Mangalam University

Event Type: Workshop

Mode of Activity: Offline

Target Group: 1st year and 2nd year students of SOAD

Resource Person (if any): Ar. Sarthak Luthra, founder CODEDGAMI

Coordinators: Ar. Mansha Samreen

Organized by: DIA Club

Number of Participants (Attached Attendance as Annexure): 47

The DIA club, SOAD organised an ORIGAMI WORKSHOP for the students of first and second year on 7th October 2022. Origami is the art of paper folding, which is often associated with Japanese culture. Since paper is readily available, it helps to understand design thinking concepts in a short period of time. The objective was to ideate and explore different paper folding techniques of origami for design purpose.

A lecture on the importance and role of origami and paper folding techniques was delivered by the experts Ar. Sarthak Luthra and Ar. Nikhil Bhutani, where they introduced the concept of origami and how a paper can be used to create different as well as great impact for Design. The experts took an interactive session with the students where they showed and explained the variations of shapes in paper folding, its techniques and how the ideas can be translated. Moving further, the students had a hands-on workshop session where they made different and unique paper planes and learned folding techniques. Initialising from the fan folding the students reached to different types of paper folds with creative shapes composing together and making a better design.

All the paper folds were collated to make creative installations which is displayed at the C block second floor corridor. The activity was creatively stimulating and the students explored and enjoyed the art of paper folding. The folding techniques can be used to develop different types of roofs and spanning systems. It can also be developed to create foldable and mobile structures.

Target Group: All the students of SBAS

Resource Person: Dr Vinod Kumar, Assistant Professor, Special Centre of Nanoscience, Jawaharlal Nehru University, Delhi

Event Coordinators: Dr. Neeraj Kumari

Organized by: Dr APJ Abdul Kalam Science Club

Dr APJ Abdul Kalam Science Club organized a seminar on "Wonder World of Nano". The expert was Dr Vinod Kumar from Special Centre of Nanoscience, Jawaharlal Nehru University, Delhi. The program was started by Dr Neeraj Kumari by welcoming the guest of the program and all students of SBAS. She gave the brief about the session. During the session, he explored about the basics of nano and its applications. He said that Nanoscience is one of the most emerging fields of inter-disciplinary research. In last two decades a remarkable development in discovery of novel materials especially in nanoscale has been attained. He confirmed about the size of nanometer which is one billionth of a meter (10^{-9} m). He said that nanoscience is an interdisciplinary field that seeks to bring about mature nanotechnology. Focusing on the nanoscale intersection of fields such as physics, biology, engineering, chemistry, computer science and more, nanoscience is rapidly expanding. He highlighted the application of nanomaterials in various filed by taking various example like Al nanopowder that we use in aeroplanes as propellent but when present in micro size, we can not use due to formation of aluminum oxide, nanosensors that can be used for

Event Name: A story session on **Unsung Heroes (Scientist/ Academician)** and their role in society development

Organized by: Dr APJ Abdul Kalam Science Club

Target Group: UG and PG students of SBAS

Faculty Coordinators: Dr Neeraj Kumari and Dr Nidhi Gaur

Date and Time: 26th September 2022, 12:00 – 1:00pm.

Venue: B014, B Block, KRMU.

Methodology: Lecture

Introduction

Dr. APJ Abdul Kalam Science Club was established by the initiative of School of Basic and Applied Science which provides a common platform for students among various disciplines to explore their ideas in different fields of science and technology through lectures, workshops, seminars, and scientific activities. This encourages out of box thinking amongst students and gives them a platform to put their knowledge into action, enhancing their scientific temperaments and critical thinking.

During 2022-23 academic year, Science Club have already planned different events for the students. On 26th September 2022, Science Club organized a story session on **Unsung Heroes (Scientist/ Academician) and their role in society development** in offline mode.

Collage making on Latest Trends in Design

Date: Monday, 26th September 2022.

Venue: Room No. C 211, C Block, K.R. Mangalam University.

Event Type: Collage Making Event

Mode of Activity: Offline

Target Group: 1st year students of B. Arch/ BID/ B.Des./ B.Sc (Interior Design)

Resource Person (if any):

Coordinators: Ar. Hemani Singh, Ar. Akanksha Singh, Ar. Nishant Arora

Organized by: DIA Club

Number of Participants (Attach Attendance as Annexure):

With the objective of identifying and presenting latest trends in Design, students of 1st year of SOAD were introduced to the concept of Collage making.

Students were given an idea on Trends in Design and how to put these together through the medium of collage making. Some magazines and newspapers and cutters, scissors and fevicol were given to students and they were asked to use them creatively to convey the idea. Some students used the material to convey the trends in buildings, some used them for interiors and car designs. All the students worked on the project for almost 4 hours before the collages were given for evaluation. Students used their knowledge of graphic communication to prepare colorful collages with powerful images of trends in Design (See Photo 2, 4).

The event was instrumental in triggering sensitivity among fresh students at the University on Design. Such workshops will increase their awareness about Design and they will become more observant of latest trend around them.

REPORT ON INTERACTIVE FUN ACTIVITIES.

Event Name: Interactive Fun activities.

Organized by: Dr. APJ Abdul Kalam Science Club

Target Audience: Students from SBAS

Date: 5th September 2022

Venue: B-014, B - Block

Coordinators: Dr. Neeraj Kumari (Faculty-Chemistry) and Dr Nidhi Gaur (Faculty-Physics)

Dr APJ Abdul Kalam Science club organized Interactive Fun Activities on the occasion of Teacher's day. During the event, the contribution of teachers is well acknowledged by the students who also shared some pictures and expressed their thankfulness. The main objective to conduct the event was to celebrate teacher's day and express gratitude for their infinite contribution as a teacher and mentor and to help students think actively and boost their memory retention and communication skills.

The event started by a welcome note for all the teachers by student coordinator of the event, Jeetika. She very well progressed the session by sharing the pictures of teachers and highlighting their role in nation building. Dr Meena Bhandari addressed the students and guided them to follow the path of truthfulness, hardwork, and honesty to achieve the desired goals. In addition, Dr Pawan Kumar, Dr Pooja Vats and Dr Seema Raj also encouraged the students to remain strong and composed through all thick and thins of life. The thankyou note to all the teachers was delivered by Dr. Neeraj Kumari and Dr. Nidhi Gaur, Coordinators of Science club.

The second part of the event comprised of interactive fun activities for the students involving 8 teams and 16 participants. There were two rounds in which first round comprised of "guessing the phenomenon" and the second was an extempore where the students were

REPORT ON MEDITATION & YOGA SESSION FOR KRMU STUDENTS

School of Management and Commerce

Target Group: Students of SOMC & Chetna Society

Resource Person: Dr. Ruchika Yadav, Associate Professor, SOMC

Coordinator: Dr. Ruchika Yadav-SOMC

Date and Time: THURSDAY, 1st SEPTEMBER 2022

Venue: Basement Area, A-BLOCK

INTRODUCTION

School of Management and Commerce (SOMC) & Chetna Society organized Meditation & Yoga Session. The topic of the event was "MEDITATION & YOGA SESSIONS FOR KRMU STUDENTS".

Objectives

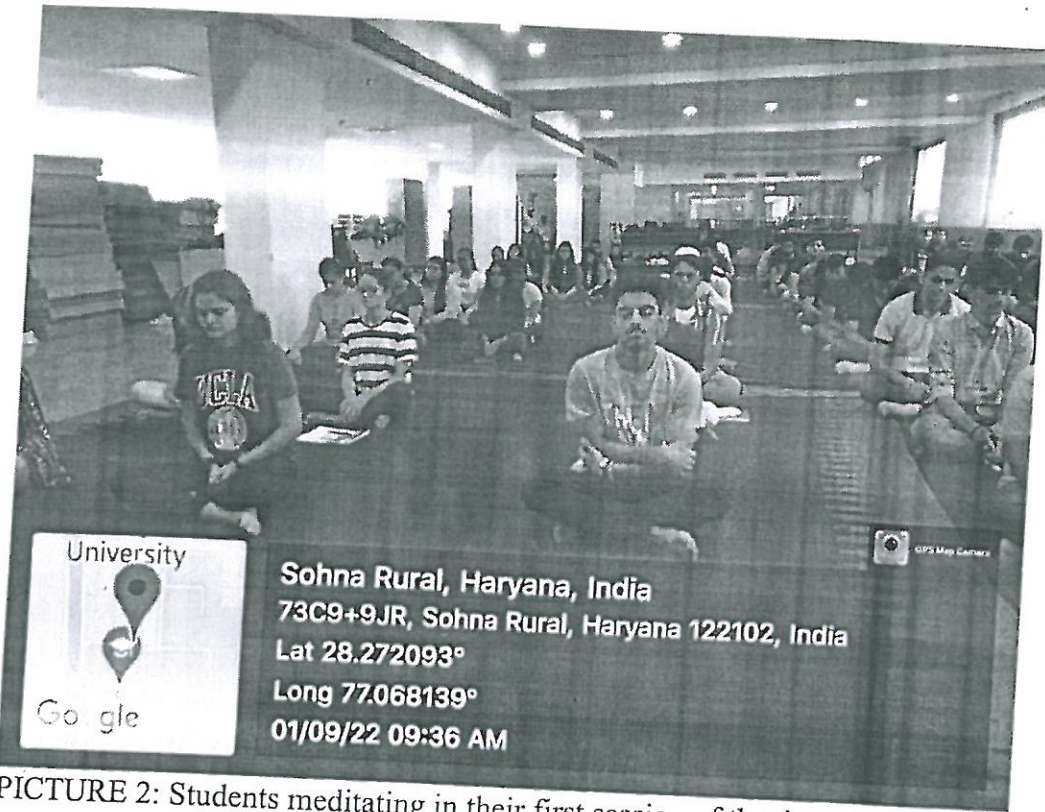

To introduce students to how to stress with Meditation activity & to take care of the needs of self and others.

Content

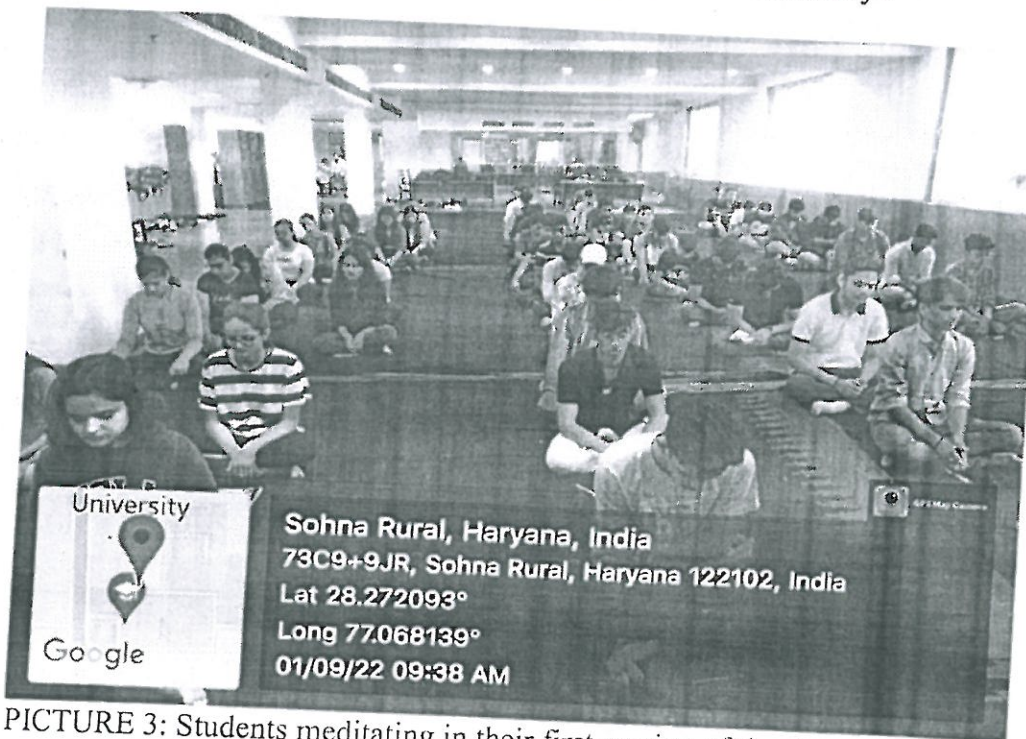

All the freshmen students of SOMC & Chetna Society joined the event. They were guided to handle stress and how to take it positively rather than negatively. The need to be kind towards others and people trying to help us has been taught to them. Students were told about body and self needs and how to manage them wisely and with maturity.

"Yoga & Meditation is a vital way to purify and quiet the mind, thus, rejuvenating the body". The observation towards the mental benefits of meditation as a practice has proved itself to be quite accurate after the session that has been conducted by SOMC at KR Mangalam University. Reading into the minds of individuals that is generally occupied by the hustle and bustle that we see in our daily lives and often try to find an escape from. The mental benefits of mediation cannot be wholly stated with mere words since it's an extremely vast term and can be more or less felt ethereally than stated in actual words. This entire activity was duly performed by the coordinators and volunteers with utmost zeal and dedication. The introduction to the event was followed by introspective and insightful discussions and meditation practices that eased the mind of students as well as teachers that were present.

School of Management and Commerce (SOMC) report on Financial Literacy Camp: An Extension Activity

Target Group: Women residents of Village

Resource Persons: Dr. Rashmi Singel & Dr. Neha Kamboj

Date & Time: 26th August 2022

Venue: Aakarshan Kaushal Vikaskendra, Bhondsi Village, Gurugram, Haryana.

Introduction

In order to promote financial literacy, the School of Management and Commerce organised a Financial Literacy Camp at Aakarshan Kaushal Vikaskendra, Bhondsi Village, Gurugram, Haryana on 26th August 2022.

Objective

To provide financial literacy to under privileged women and students who are not aware of government entitlements available in Umang app.

To enable comprehension of financial credit facilities available from Government that would assist them in accessing financial services to achieve government objective of financial inclusion.

Content

29 student volunteers from K. R. Mangalam University visited Bhondsi village along with resource persons. The session began with the introduction of the Mobile application "Umang App" by Dr Rashmi Singel. Women were assisted by student's volunteers to install Umang mobile application from play store on their mobile phones, and an appropriate presentation format was also provided for improved comprehension. The camp was attended by 40 women from the village. Qualitative feedback was taken from the participants. The activity was successfully organized by Dr. Rashmi Singel & Dr. Neha. All students' volunteers were given Certificates by SOMC.

Outcome

Being financially educated is a skill that has a number of advantages and may raise one's level of living by increasing their financial stability. Students can use the mobile application Umang to learn about numerous government initiatives which can benefit them in many ways. These schemes can relieve them of financial security. The target group initially fright by the mobile application because they believed it might be of fraudulent, but after learning more, they all developed trust in it. The result of this session was that 40 women were made aware about savings, Insurance, and government plans learned more and more about them.

Conclusion

Dr. Neha & Dr. Rashmi Singel did a qualitative survey of how many of the women participants want to start their own business. Most of them raised their hands but were having constraints of funding. Most of the women participant learnt the features of Umang app regarding financial services and how to apply for loans. They learned the mobile application functionalities like government exam notifications, date sheets, and results declarations..

Future Scope

The scope of financial literacy is vast in India. It encompasses budgetary education (personal & family budget), banking tools (everyday banking, savings, insurance), understanding economic concepts (how economy operates and is financed) and public policies. Government has launched various schemes to enhance financial literacy and empowerment of rural women. The extension activity was conducted with the objective of implementation of government schemes for women and financial literacy
