

## **RULES FOR QUIZ COMPETITION**

### **RULE 1:**

- Participants compulsorily need to turn on their cameras during the competition.

### **RULE 2:**

- No excuses such as network connectivity issues, system issues, mic or camera issues, etc. will be entertained during the competition. Thus, it is advised to check your setup and internet connection before the competition twice to avoid such issues.

### **RULE 3:**

- We will have three rounds in the quiz competition:-
  - Round-1 will be Beginners Round & each question in this round will contain 2 points each on correct answer & nil on wrong answer.
  - Round-2 will be Visual Round, where you will be shown pictures and you need to answer accordingly. Each question will contain 4 points each on correct answer & nil on wrong answer.

- Round-3 the final round of quiz will be rapid fire round in which each question will contain 5 points each on correct answer & again nil on wrong answer.

#### **RULE 4:**

- If a participant is unable to answer then the question will be passed on to another participant automatically except in ROUND-1.
- In ROUND-1, you will get 3 minutes to answer each question & if a participant is unable to answer the question we will move on to next contestant & will ask other question. The question will not be passed in ROUND-1.
- For ROUND-2, you will get 2 minutes to answer each question.
- And for RAPID FIRE ROUND, you will get 10 seconds to answer each question.

#### **RULE 5:**

- The participants are required to turn off their mic when they are not to speak/ it's not the particular participant's turn to speak.

#### **RULE 6:**

- Sit at a place where there is less background noise or background noise is equivalent to nil during competition.

#### **RULE 7:**

- Speak your answers clearly when it's your turn. Check your mic before-hand to avoid such issues.
