WALL ART COLOUR CASCADES: A WALL ART EXTRAVAGANZA IN COLLABORATION WITH NSS

Date: Thursday, August 24th, 2023 and Monday, September 11th, 2023.

Venue: Raghuvanshi Public School, Ghamroj, Haryana.

Event Type: Wall Art

Mode of Activity: Offline

Target Group: Students of SOAD (KRMU), Raghuvanshi Public School and NSS volunteers

Coordinators: Ar. Shaila Naaz & Ar. Neeru Gupta **Organized**

by: School of Architecture and Design.

Number of Participants: 52 **SESSION 1: 24th August, 2023**

A group of enthusiastic students from the School of Architecture and Design at K.R. Mangalam University with NSS volunteers embarked on a noble mission to transform the exterior of Raghuvanshi School, located in the heart of Ghamroj. The primary objective of this event was to create a vibrant and welcoming environment for the students of Raghuvanshi Public School. The project aimed to foster creativity, community involvement, and a sense of pride among the students, while also making a positive impact on the lives of the school children. The project began several weeks in advance with meticulous planning. Students and faculty coordinators collaborated on the design and colour scheme, considering both aesthetics and the preferences of the school children. Materials required for the wall art including paints, brushes, and other necessities were procured.

On the 24th of August 2023, faculty coordinator, Ar. Shaila Naaz & Ar. Neeru Gupta along with the students visited the school. They had an interactive discussion with the students, regarding their preferences for the paint scheme, including the colours they'd like to see on the walls. On this day, students chose a spot and planned what they wanted to draw and how they would do it. Once they made their selections, they carefully examined the wall and divided it into sections to help them better understand how to execute their artistic vision

SESSION 2: 11th September, 2023

On the second day, i.e., 11th September 2023, students and faculty members gathered at Raghuvanshi Public School. They were welcomed warmly by the school staff and students, creating an atmosphere of excitement and anticipation. The students set to work with enthusiasm, turning the plain and dull walls into a colorful canvas. The event was not just about painting walls but also about painting a brighter future for the schoolchildren. The event succeeded in creating a vibrant and inclusive space. The artwork beautifully captured the recent and dynamic changes, notably the launch of Chandrayaan-3, and celebrated the unwavering commitment of every individual who contributed to this endeavor. This concept was brought to life on the canvas of a wall through the artist's brushstrokes. By conducting this activity the outcome achieved was to foster a stronger sense of community, inspire creativity and appreciation for wall art, and transform public spaces.
